

GOLDEN TRIANGLE YOUTH FOOTBALL & CHEER

SCHOOL ZONING/ELIGIBILITY

GTYFC follows an established school zoning for the state of Texas. GTYFC zoning boundaries follow the same boundaries and any changes as the independent school districts for each of the GTYFC's Associations for which they are named. Participants must register to play according to the zoning and eligibility below.

Participants who attend school/live outside of any existing association school boundaries (unincorporated areas) may only participate through a blanket waiver of that incorporated area by an existing GTYFC Association submitting a request and approved by the GTYFC Board prior to the March meeting.

Participants enrolled in private school or home school revert to home address zoning by school district for association eligibility. Private school location has no bearing on eligibility.
